We wish
you
a very merry
Christmas

A festive Christmas card illustration on a solid tan background. The central text, 'We wish you a very merry Christmas', is written in a mix of elegant cursive and casual script fonts. 'We wish' and 'Christmas' are in a dark maroon color, while 'you' and 'a very merry' are in a vibrant red. The text is adorned with several small white starburst ornaments. To the left of the text, there is a dark maroon five-petaled flower with a teal center, a teal pine branch, and a teal leafy sprig. To the right, there is a holly branch with teal leaves and red berries, and a sprig of red berries with teal stems.

The first design should be printed on letter size (8.5x11) cardstock and trimmed down to 5x7 size.

The second design is 5x7 size and should be printed on 5x7 cardstock.
